

REMARKS

Applicants have amended claim 22 to remove extraneous words at the end. The remaining amendments were made to remove multiple dependencies. The new claims are intended to capture the subject matter of some of the claims that were previously multiply dependent. Several of the kit claims were rewritten to place them in dependent form. No new matter is added by these amendments.

It is respectfully submitted that the present claims are in condition for examination on the merits. However, if any questions remain, the Examiner or other PTO official is encouraged to call the undersigned at **202-496-7845** to expedite this application.

If these papers are not considered timely filed by the USPTO, then a petition is hereby made under 37 C.F.R. §1.136, and any additional fees required under 37 C.F.R. §1.136 for any necessary extension of time, or any other fees required to complete the filing of this response, may be charged to Deposit Account No. 50-0911. Please credit any overpayment to deposit Account No. 50-0911.
